

Meeting Agenda and Notes

Meeting Date: August 5, 2021

Facilitator: Georgia Pedgrift/ VP

Minutes Recorded by: Georgia Pedgrift

Meeting Minutes:

Start Time on Clock	6:14 p.m.	
	Attendance:	Georgia Pedrift, Karolina Gage, Lauren West, Andrea Rojas, Donna Prak
	Call to order:	Starts at 6:14 p.m. We discussed the 2 meeting strategy for the Foundation moving forward. We wanted to have a way to encourage more people to attend, but it was also suggested that we put out a new poll to members and ask if they are able to make morning or evening meetings, not just pick a preference. Perhaps more people can attend one option if it's the only option. It was also suggested that we go back and forth between days/evenings each month. No one was particularly in favor of having 2 separate meetings.
	Approval of Agenda:	
	Approval of Minutes:	Andrea and Lauren and all in favor
	Old Business:	We reviewed the 2021-2022 Foundation budget. No issues or questions came up. We talked about the Beautification Day. Andrea agreed to help open up the campus this Saturday since Paul is not available. She posted the event on the parent FB page to see if enough parents are able to participate. Karolina also said the school needs support

		<p>putting together a shed for the new Andy's Garden. We cannot logistically get that organized by this weekend so we will request parent volunteers to help do it another time.</p> <p>We suggested putting up a large piece of butcher paper in the quad area for students to sign as a "thank you" card for the school supplies fundraiser.</p> <p>We discussed pros and cons of having the Zumbathon and/or changing the focus to a different event. Andrea likes the Zumbathon, but thinks we can add things like fundraising booths the middle schoolers can organize to raise money for clubs and teams/activities. Or perhaps some middle schoolers would like to lead Zumba dances. Lauren liked the idea of having a fun run on the track with tie dye balloons thrown at kids. Georgia appreciated the cultural component of Zumbathon, but also wants more students to participate in fundraising and be included.</p>
	New Business	<p>Andrea will join Donna at the middle school booth and will post a request for volunteers on FB.</p>
	Public Comment:	<p>We asked for clarity on orientations. Karolina said kinder students will have a virtual orientation Tuesday night, but nothing was planned for students in 1-6th grade before school begins. Georgia pointed out that some 1st graders have never been on campus because of covid and some students still don't know who their teachers are or what classroom to go to. Karolina advised that we are switching over to a new database (no longer Illuminate) and teachers have been asked to contact their classes directly via ParentSquare. Parents should continue dropping students off without entering campus. Karolina has staff coverage for early drop-off starting at 7:50am and we provided feedback that 10 minutes is probably not enough time for all students to get dropped off on time. Karolina offered to be available</p>
