

CESAR CHAVEZ Language Academy Foundation

Agenda— January 6, 2022

- Call to order
- Budget update- Leane
- Middle School Common Dress Code
 - Many middle school families have signed extensions on dress code waivers because they are in need of financial assistance.
 - What I have been doing is finding other CCLA families to cover the cost of shirts and sweatshirts for the students
 - There are more students that I have just learned about so I will be trying to find more individual donors. Please let me know if you have interest in sponsoring a child.
 - There are kids who need help with getting the appropriate pants. And they do need rides to the store as their parents are unable to take them shopping to get the correct size.
- Reorder apparel? Andrea and Wendy
 - We have been selling apparel and we have sold out of a lot of items.
 - I don't have a current tally but before Winter break we sold over \$4,000
 - I have 200 blank white shirts leftover from Color Run that we didn't screen print. We can screenprint Cesar Chavez Language Academy for \$3 a shirt. They sizes are a variety and the total would cost us \$525
- See's Candy
 - Debrief from Wendy and Andrea
 - Elizabeth has already set up an online See's candy store for Valentine's Day.
- Upcoming events:
 - I would like to have a virtual family fun night: Online Bingo?? or plan an outdoor event when the weather gets better. I don't think we can hold our gala this year unless it's completely outdoors? But I am not sure what the covid protocols will be in the Spring.
 - I will be creating a Staff Appreciation Week committee. It is a 5 day celebration during the first week of May. It requires; creating the schedule, managing clean up and fundraising to cover the expenses. Typically this money comes out of parents submitting a donation. (We send a donation request letter out to families and we usually bring in over \$1000 to help cover the cost) Sometimes I massage therapists come in, snacks, treats, meals, goodie bags. It's different everyday. So let me know if you want to help.
